Principals Report

As I said at Presentation Day, our students are so special that they bring whole communities together to celebrate their achievements. At Presentation Day we witnessed many of our students receiving awards for their awesome efforts throughout the year. I'd like to congratulate these students and also remind all of our students that achievements come in all different shapes and sizes – some come with certificates at the end, but many do not. All students this year should be very proud of their achievements – everyone has improved. Our hard-working students have achieved great things and found success in so many different areas. I thank them all for their efforts.

Our staff members bring out the best in each other as well as bringing out the best in each and every one of their students. They hold high expectations for success for all of them. They genuinely know and care about their students and this is key to student success in the school. I'd like to thank them all for their hard work over the year in their many and varied roles, and for making this school a great place for our students.

I'd like to acknowledge our hard-working P&C and recognise the time and commitment given to the school and students by the leadership team, committee members, paid employees and members. Thank you to all of the parents for supporting the many events at the school, both P&C and school run events.

To all of our volunteers who assist our students and teachers throughout the year. Thank you for your support, it is highly valued and most appreciated.

So far I have loved my time at Toukley Public School and am grateful for the opportunity to meet and work with so many fabulous people focussed on the education of these wonderful students.

I wish you all a safe holiday break and I will see you back here on Wednesday 30 January 2019.

All the best

Jacqui Buchanan

School Banking Information Session

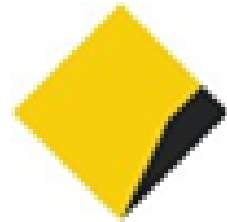

School banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through school banking earn dollarmites tokens, which they can save up and redeem for exciting rewards.

School banking is also a great fundraiser for our school. Our school receives a regular savers contribution of \$5 for every 10 deposits processed per student as well as an annual contribution which is based on the number of students who made at least one school banking deposit in the prior year.

School banking day is Tuesday. Each week you need to hand your bank book into the office upon arrival at school. Please update your cover with your new class for 2019.

We will be holding a school banking information session at our school:

Time: 8:15am
Date: Tuesday 12 February 2019
Location: Playground

Please join us and find out more about the school banking program and how your child can get involved.

If you are interested in opening a Commonwealth Bank Youthsaver account for your child you can visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account. A school banking representative will be available at the information session to show you how you can do this. In order to verify yourself and your child, you will need your driver's licence and your child's birth certificate, if you don't have these with you on the day, you can complete verification online at home.

Good Bye from Mrs Vanessa O'Meara in the office

I would like to thank all the staff, parents and students for having me in the office for the past year. I have had a great year and I really enjoyed my time at Toukley Public School. Unfortunately I will be moving on to another school. I wish you all a Merry Christmas and a Happy New Year. I will miss you all!

Toukley Coastal Carols

A big thank you to everyone that came to celebrate with the staff and students of Toukley Public School. Our annual Christmas carols were amazing and it was wonderful to see the community come together to celebrate this time of year.

Year 6 Farewell 2018

Congratulations to all the year 6 students that celebrated their graduation on Thursday 13 December 2018.
